

SIGN2INCLUSION NEWSLETTER

The aim of this newsletter is to enhance our networking, collaboration efforts, and cooperative initiatives. Published quarterly, each issue will highlight promotional and networking events with all partners, updates on the SIGN2Inclusion action, as well as news and activities that partners may find interesting.

Announcements

SIGN2Inclusion website is now available and ready for you to explore!

Visit us to find out more about the project and the work we do.

<https://sign2inclusion.com>

Announcements

Recent developments in Sign Language Production is the main discussion of our 1st blog post which you can find through our website.

News and Updates

Our team is working hard on finding the gaps in subject areas like Technology and the Environment by identifying the needs of DHH learners.

News and Updates

A new section has been added to our Website where you can find research articles relating to our project and further details per partner country.
