

SIGN2INCLUSION NEWSLETTER

The aim of this newsletter is to enhance our networking, collaboration efforts, and cooperative initiatives. Published quarterly, each issue will highlight promotional and networking events with all partners, updates on the SIGN2Inclusion action, as well as news and activities that partners may find interesting.

Announcements

The importance of having a Virtual Museum is the main discussion which you can find through our website.

News and Updates

- The consortium has been working really hard during the past weeks to finalise the terms in Sign Language.
- A questionnaire will be provided to experts, SL teachers and interpreters to finalize the signs for all the chosen terms that currently do not exist, and further videos will be produced.

News and Updates

- The project has been disseminated by CIP on the 13th of February to a local primary school in Cyprus. Children aged 10-11 were given the opportunity to find out more about the project.
