

SIGN2INCLUSION NEWSLETTER

The aim of this newsletter is to enhance our networking, collaboration efforts, and cooperative initiatives. Published quarterly, each issue will highlight promotional and networking events with all partners, updates on the SIGN2Inclusion action, as well as news and activities that partners may find interesting.

Announcements

Our new blog post emphasizes on the education of Deaf children, the history of struggles, innovation and hope.

More details can be found in our [Blog Section](#) online.

News and Updates

The consortium had its LTTA meeting in Turin during June 2025. Partners had the opportunity to meet in person once again and discuss the upcoming sign videos on the new Lexicon creation.

The meetings were very productive by sharing different opinions and ways in being more engaging towards the target group and stakeholders.
